

Jane Smith Dickerson

February 20, 1958 - December 14, 2017

Jane Smith Dickerson, of Terrell, passed away peacefully on December 14, 2017. Jane was born February 20, 1958 in Waterloo, IA to Dale William and Evelyn Marie (Burmester) Smith, both of whom preceded her in death along with her daughter, Allison Mashburn and brother-in-law, Larry Ottinger.

Jane grew up in the Terrell area and graduated from Terrell High School in 1976. She had a love of children and she owned her own home daycare providing love and fun for many children over the years. Each child's innocence and wonder with every day's new opportunity gave Jane great joy to see the world through their eyes. Many of the children she cared for came back to visit her with their own "little ones" showing that legacies of caring go on for generations. Later in her life, Jane also worked at Wal-Mart in the electronics department where she was known for helping friends, neighbors, and strangers (which always turned into friends!) with purchases that made perfect gifts. She was the best "Granny" to her grandchildren and she never missed a chance to go see their recitals, sports events and anything else that they were involved in so they could see her never-ending support. Jane loved others and wanted the best for them and her beautiful personality was mirrored by her even more beautiful smile. Her generosity was well known as she would give to others without a second thought to her own needs. Her kindness was seen in her generosity as well as her giving her time to organizations having served as a board member and volunteer with the March of Dimes, a group that held special significance for her after the passing of her daughter, Allison. She enjoyed horses, butterflies, and angels and her favorite phrase to share with those she cherished was "love you to the moon and back". To know Jane was to know a person who always treasured every day as if it was a gift and she will be missed by all who loved her. She is survived by her beloved husband, Dale Dickerson; daughters: Tara Martinez and husband, Raul and Taryn Dickerson and fiancé, Shane Bostick, all of Terrell; grandchildren: Brian "Jay", Wyatt, Alaycia, Rylan, Jesse, Daylan, and Rivyn; siblings: Karen Ottinger of Wills Point, Bob Smith and wife, Maria, of Rockwall and Judy Beesley of Terrell as well as several nieces, nephews, extended family and a host of friends. Funeral service will be at 2:00pm, Monday, Dec. 18, 2017 at Max Slayton Funeral Chapel with interment to follow at Oakland Memorial Park. The family will receive friends 4-7pm,

Sunday, Dec. 17, at the funeral home. For those wishing, memorials in honor of Jane may be made to the March of Dimes at www.marchofdimes.org.

“ Jane and Dale and the girls lived across the street from my family for years on Charles Lane and I loved them so much. They were wonderful neighbors. I remember her having such a green thumb and had so many plants and her love for butterflies. I'm praying for peace and strength for her family.

- “ - I remember going over to Jane’s house while she had her daycare. So many babies and children! She was so good at it!
- I remember seeing ALL the hair bows for Tara and Taryn hung up at her house!
 - I remember when she totally surprised her nephew, Troy, with a new Dalmatian puppy.
 - I remember her giving heart.
 - She loved her nephew, Travis. He was around her a lot when he was very young.
 - I remember her infectious laugh and giggles.

I will always remember her as someone who was there for me to talk to, no matter the time or day. I will miss you Jane!

- “ Jane was a beautiful woman, she had a caring heart and loving soul. Jane loved her children and grandchildren so very very much. Jane work very hard at Wal-Mart in Terrell and worked with my daughter Angela Pitts. She loved my daughter Angela as her own. Jane use to say she was my daughter's work mama. I loved Jane for always being there for my daughter when Angela needed a work mama. Taryn and Tara I have always loved you girls and your mama. Jane was one of a kind a sweet soul and one of the angels that walked among us on earth. This is not goodbye my friend. I say so long until we meet again.

“ "Momma Jane" was a very important person in my life and will always carry a special place in my heart. The one thing about Jane that stood out the most was her immense love for her "babies" and grandbabies. She will truly be missed. Prayers and love to the family.

“ I went to Iowa with Jane and her family over a Memorial Day weekend in high school. We drove around in a little VW bug that only worked sometimes. I'm pretty sure that Jane didn't know how to drive a stick shift at that time, but she managed to do it anyway! We had a blast! Later on in the summer, we spent hours and hours in her swimming pool. She got dark brown and her hair got blonder and blonder while I burned to a crisp! We attended rodeos, listened to country music and to her mom's old LP's, and since we both lived out in the country where there were no sidewalks, we would borrow bikes from our town friends and ride around town together. So many good memories!
