“ My condolences for your loss. I only knew Joel for a few short years before he retired from CA, but always enjoyed his sense of humor and his drive to find as many problems in our code as possible! He always wanted it to be as error free as possible once it got to our customers, and his work helped to ensure that happened. I know it is always difficult to lose loved ones, my prayers for y'all at this time.

“ Thank you Linda. Although, Joel had no children he was the example of a loving, giving, kind father and grandfather to my daughter and her children as well. Joel will be forever remembered as a loving husband and special man to many. I love you Joel forever and always, your wife.

“ Joel was not just my moms husband. Joel was my dad.. he was a grandpa to my three kids.. we all loved and cherished him dearly. Joel was always there for me.. my kids.. no matter what time.. no matter the circumstances.. he was always there with a smile and a generous heart to help me or my family with ANYTHING we ever needed. He is and will always be an irreplaceable man. He gave 20x more than he ever cared to receive and that us a truly amazing quality to have. I cannot imagine what life will be without him here. I own a cake shop and he was always there at the drop of a hat to help me bake.. make icing.. take the kids to McDonald's so I could work.. anything. People like Joel are very hard to come by and my world is so much dimmer without his light. His laugh was undeniable.. his sense of humor was dry and sarcastic just like I like it!!.. and no matter the situation he always knew the right words to say to make everything okay.. I never knew growing up that I would have the pleasure of having a bonus dad but if I did, I would choose him ten thousand times over. I love you Joel.. we all love you.. and we will all miss you until the day we meet I heaven..

love,

“ Joel was a Seagoville classmate of mine. I always admired his quick wit, his smile, his intelligence and just always a gentleman. Thankful we could keep in touch thru Facebook a little but it had been years since I had seen him. Here is one of my favorite Joel pics that I took at our SHS Class of 76 30th Class Reunion. Hugs and prayers to all of the family.

“ Joel's love and support of my children Jacob and Joshua Oliver will never be forgotten. He was their surrogate father and helped make them the good men they are today. They will always honor his memory and make him proud. I loved him as a brother and always tried to be there for him.
