

Tammy Renee Cargle

November 16, 1974 - September 21, 2018

Tammy Renee Cargle, of Canton, passed away September 21, 2018 into the presence of her Savior, Jesus Christ. Tammy was born November 16, 1974, the beloved daughter of John Wayne and Mary Dodson. Growing up in a small community enabled Tammy to experience how everyone helped everyone and, as a young lady, she made sure to bring joy and laughter to everyone who met her. Her fun-loving personality made instant friends of all who met her and her beautiful smile made every day brighter. Tammy graduated from Terrell Christian Academy in 1993 and went on to be certified to assist teaching students in the Special Education programs. Currently, she was a teacher's aide at Canton Elementary where she truly treasured each student but most especially the angels that were in her own classroom. Not only was she loved by the students, her colleagues valued her insightful advice and wisdom as well as her wonderful sense of fun. Tammy was a devoted wife to Daniel and was the 'wind beneath his wings' in their 22 years together. As for being a mom, Tammy set the bar high. She was her son, JW's, biggest fan with his competitions and was also Cheer Mom Extraordinaire for her daughter, Sarah. Her family was her priority and every day, she made sure to let them know that they were completely loved and cherished. She loved giving back to the community and her active membership at CrossRoads Church in Canton was her way of symbolizing the love of Christ to whomever she talked to in whatever situation they were in be it a blessing or a challenge. She and Daniel had a calling for serving with the youth and students and she was devoted to expanding the Kingdom of God to every young person she was privileged to minister to. Her infectious smile and humor, kindness, generosity, compassion, and love for all will be truly missed. Her legacy of selfless devotion to family and friends will be continued on by all who knew her and most especially by her family.

Tammy is survived by her beloved husband, Daniel Cargle of Canton; precious children: James Wayne (JW) Cargle and Sarah Cargle of Canton; parents, John Wayne and Mary Dodson of Lawrence; brothers, Bobby Dodson and wife, Donna and James Dodson; mother-in-law, Debbie Cargle; sister-in-law, Dione Davis; nephews: Ty Davis, Alan and Michael Delaney; nieces: Ashley Goodrich and husband, Cody, Jill Zych and her husband, Garry, Jamey Dodson, Julie Dodson, Katie Dodson; great-niece, Kenzie Williams; and

“ Tammy- I have many memories with you, most of them being back in our high school days of choir....walking around campus singing “Dem Bones” or “Bubblegum”. Most everyone looked at us like we were crazy. But, our Senior year at state choir competition was probably my favorite. We were so shocked when we met the swat team in the rooms next to us, and to hear the stories about the big deal they were working on in Waco. We had some great memories. It’s been a pleasure to continue our friendship through our adult lives and of course I regret that we didn’t spend more time together. You are already missed so much, but I have no doubt that Heaven is the next time we will all see you again. Until then sister, I’m sure you know that your community and friends are looking out for your beloved family. Much love to you.

“ I was blessed to have Tammy not only as an English student, but also as one of my high school choir members. Her contagious smile brightened my classroom daily. She always reached for her goals in life with a strong desire to do her best and to push herself to new heights. Her love for God was shown to all through her sweet, sweet spirit. She will be missed. “ Would love to go back to our childhood and dance to "Elvira" over and over in your garage while Aunt Mary asks you "Aren't you tired of that song yet" and you consistently reply "No". I also remember eating baked potatoes and chili in your room while playing Barbies. We were ridiculous - but we had fun. And of course, all of the trips to Dairy Queen for ice cream while your parents had coffee. Good, treasured, family memories. Love you and enjoy your forever after with our sweet Jesus. See you again one day.

“ You were my go to gal when I never knew what time anything started, where to meet at that day, or how to fix Ella's hair and make up. You accepted my social awkwardness and disorganization without judgement. You were willing to go to Zumba with me (more than once) and never once made fun of me. I love you and your precious family so much and promise to be there for them whenever they need me. Love and miss you so much!
