

Addie Densmore Jordan

June 16, 1979 - March 5, 2020

In a tiny hospital in Weatherford, Oklahoma, Addie Marie Densmore Jordan arrived on June 16, 1979. Two days later everyone in the medical facility was rushed to hallways and shelters as a tornado rapidly approached. This is how Addie's life eventually played out -- a story full of surprises and adventures that could not be conquered by any storm because of her strong spirit.

Addie's dad's job took the Densmore family to Richardson, TX. when she was 18-months-old. This is where she would grow up, attending First Baptist Church Richardson. She would commit her life to Christ at the age of seven and later be active in the Heights Baptist Church youth group.

She attended Canyon Creek Elementary and North Junior High School. In 1997 she graduated from J.J. Pearce High School in Richardson. Following high school, Addie attended Southwestern Oklahoma State University for two years, then completed her teaching degree at Texas A&M Commerce.

In 1999, before Addie's college graduation, she was diagnosed with oligodendroglioma -- a type of brain cancer. She persevered and pursued her degree despite surgery, chemotherapy and seizures.

Addie later taught at Faith Family Academy in Waxahachie, TX. and Kennedy Elementary School in Terrell, TX.

In March of 2008, Addie was united with Andrew Jordan and on December 10, 2008 Harper Parks Jordan arrived with an equally adventurous spirit to match her mother's from 29 years earlier. Through multiple surgeries, chemotherapies, radiation treatments and medications Addie's spirit never failed. Never once did she ask, "Why me?" Throughout her life the Lord performed many miracles and put incredible doctors, nurses, medical staff and friends in her path. She was greatly blessed.

On March 5, 2020, Addie went home with no more pain and sorrow. She leaves behind to cherish her memory her husband Andrew Jordan; daughter, Harper Parks Jordan; parents, Bob and Charletta Densmore; brother, Matthew Densmore and his children Emily and Grant Densmore as well as other extended family members and a host of friends, all of whom dearly loved her.

A Celebration of Addie's life will be at 1:00pm, Saturday, March 7, 2020 at First Baptist Church, 403 N. Catherine St, in Terrell. There will be a private interment for the family.

The family requests that you consider making donations in memory of Addie's heroic fight and blessed life to: Baylor Neuro-Oncology Foundation, c/o Karen Fink, M.D., PhD, 3600 Gaston Ave., Suite 100, Dallas, Texas, 75246.

“ *Addie Marie, I just can't believe you're gone. My sometime sweet, but always sassy friend. I have so many wonderful memories and stories with you in them. I'm so thankful to have had you in my world for the last 27 years, but so terribly sad you won't be in the next 27. Life just won't be the same without you.*

“ I knew Addie when I was in Junior high. We did girl scouts together. She had a very determined attitude. If there was something she wanted to do she was going to do it. We had a blast in girl scouts. She always had a smile on her face. She will definitely be missed! God bless her!

“ *I remember working with Addie. She would have seizures and feel sick. Not once did she ever complain. It was clear she trusted in the Lord. We kept in touch for a while after working together. Addie told me about a guy named Andrew that she really liked. She was so serious about him she wanted to ask my advice on things. I could tell she really loved him. I remember Addie telling me she couldn't have kids when I first met her. A few years latter I received a phone call from her sharing the news of her pregnancy. She was so proud to show her daughter Harper off at the NICU in the hospital. After a while Addie and I lost touch. She will always hold a special place in my heart. There is no doubt we will meet up once again in heaven. Addie fought the good fight and won with Jesus in Heaven!*

“ *Bob and Charletta,*

First Baptist Richardson brought a lot of us together as we raised our families and worshiped together. Time and miles can separate us but our love of each other and the memories that we shared are forever with us. Addie was at our home for DiscipleNow and at church "every time the doors where open". Lots of good memories!

We are thinking of you at this difficult time and sending our Love to you and your family.

Oh, how we love our Addie! I got to know her when Bob & Charletta became our next door neighbors. She always had a hug for me and we both enjoyed poking fun at each other. Addie had a wry sense of humor and could truly hold her own with me. I am so blessed to have known this smart, funny and compassionate young lady! Fly high sweet friend until I see you again. Much love to Bob and Charletta, Harper, Matt and Andrew as you pass your baby girl, Mom, sister and wife into the loving arms of God!

*Bob & Charletta,
Richard & I just heard about Addie. The tears spill out for you both, for Andrew, & Harper. Addie helped to lift my spirits so much as she shared her own struggles with her tumor, her achievements as graduated, how she fell in love with Andrew, & precious Harper. If we missed those things with Kristin, we got a glimpse through Addie.*

I know you know how special she is.....still "is", just out of sight. You didn't lose Addie, you know right where she is, & that she is free from all struggles and probably catching up with Kristin & Travis. We WILL be with them again & that indeed brings a peace that is very, very real.

Our love to you all, Nancy & Richard Day
