“ Christi and family, wish I had the words, something that would help ease your pain but I'm afraid only time will soften it. Anything I could say would be cliché but I'm so sorry and you're in my heart, mind and prayers. Something I do to help me during these difficult times is wonder what our lost loved one is doing at this very moment. I don't know what form a precious baby, or any of us for that matter will take in heaven but think of who he is with. God, Jesus, family members who preceded him, Moses, Abraham, John the Baptist, on and on; it's infinite. I have a favor. Please have him seek out my grandparents and my brother, also a stillborn life. Tell them I love them. We'll all meet again. Christi, you're blessed with the most wonderful parents life can offer. Admiration doesn't do justice as to how I feel about Joey and Julie. They're an inspiration to anyone fortunate enough to know them. Love you all. Dennis
