“ *Sister, it's so hard to imagine life without you. Nearly every Saturday, we'd sit on the porch at Davis Ranch and talk about our HOA Facebook drama and class parties and tv shows. You were always game for the crazy things I planned like trying all the flavors of Blue Bell or making a leap year time capsule or driving all the kids down to the passion play. I'm so fortunate we had all that time together, and I don't know how we'll ever make it without you. You were the most forgiving person I have ever met, and the world won't be the same. I promise, Angie, we'll make sure your kids have everything they need in life. I love you, Ang. I will miss you every single day that goes forward.*

“ We have always admired Angie's smart and fun-loving self. Such a sweet and loving woman. The world has lost a treasure. May God grant her family strength and peace.
