

Arlinda Lee Wolverton

September 25, 1948 - April 24, 2017

Arlinda Lee Wolverton, age 68, joined her Savior on Monday, April 24, 2017 at her home in Garland, Texas. Arlinda was born September 25, 1948, in Whitney, Texas and was the daughter of William H. "Bill" and Virginia Clements.

After a 15-year battle, Arlinda is cancer free. Knowing this path was God's plan for her, she fought with dignity and grace and never questioned why. Her strength was evident until she exhaled one last time surrounded by her loved ones.

Arlinda is survived by her husband and best friend of almost 40 years, Jack, two children, Leighann Carson and husband John, Rob Davison and wife Jackie, and five grandchildren who were the light of her life, Maggie (17), Blake (15), Jesse (14), Reese (10) and Lily (16 months). She is also survived by her extended family of in-laws, nieces, nephews, cousins and a large group of friends.

Arlinda was a proud daughter of Jesus Christ and walked this earth with a servant's heart, always extending the Lord's kindness and grace to everyone she met. She and Jack called Lakepointe Church home and treasured the friendships made through their Life Group (Sunday School) class.

Arlinda's family invites all to attend her "Celebration of Life" on Friday, April 28th, at 1:00 p.m. at Pier 4:19 at Lakepointe Church in Rockwall. Guests are invited to visit with family and friends immediately following her service at the home of Rob and Jackie Davison.

If you feel led to donate in Arlinda's memory, please consider KCBI, a listener-supported Christian radio station near and dear to Arlinda and Jack or the American Cancer Society. Because not all can physically attend church, KCBI is a source for worship and praise and learning about our Lord God Almighty. Support to the American Cancer Society will continue research to provide hope to those still fighting the disease.

“ *Our Aunt Arlinda made me and my Husband Greg feel so at home at our first Christmas together with the Wolverton family. When she walked into the room we both felt the belonging of the family. She was beauty and grace that has never been matched. She was the most special person that we have ever known. No one understands like Arlinda and Jack how the friendship of high school sweethearts can be like us (now 38 years) and everlasting!. Arlinda was the strongest woman we have ever known. We are sad and happy; we will miss her deeply but we know that she is not in pain anymore. Aunt Arlinda and Uncle Jack, Greg and Lori love you forever.*

I will hold it a little tighter!! My thoughts and prayers are with you now and in the coming days. May the Lord give you peace and clarity. Jan Howard Davis*

“ When I think of Arlinda, the first thing that pops to my mind is sweet smile with a sweet spirit. Looking through some of the condolences I see, most comments reflect their memory of the sweetness of Arlinda. I believe that sweetness was derived from her love of Christ. It shined bright through her soul. She was an inspiration to us all. My heart goes out to Jack, Leighann, Rob and the rest of her family and friends.

Arlinda was the real reflection of Jesus in action. Her spirit of love and forgiveness abounded greatly in her walk with the Lord. There are those that live life and those who give life. Her spirit was free to all of Gods possibilities to serve others. She always lifted others up before she lifted up herself. I may not have known Arlinda as well as others but what I did know filled my cup abundantly. Jesus is the sweetness that gives Heaven it's awesomeness and Arlinda has given Heaven a human spirit that pursued the truth of Jesus. Vicki and I cry with the family and love ones of Arlinda....she was truly a person who lived her faith openly and joyfully! Don and Vicki Smith

“ Arlinda and I were co-workers for Norton - she in Dallas and me in Flowery Branch, GA. She was a sweet, sweet lady and I loved my visits to Pro-Cut because she was such a fun lady and such a nice person to work with. I will never forget her. Even though I never met her family, she spoke of you all often and I am so sorry for your loss.

“ I worked with Arlinda at Procut Products in Dallas from 1991-1995. In those four years I came to know the sweetest, kindest, soft spoken woman that showed everyone that a boss can be sweet and kind, loving and compassionate, a Christian, and still accomplish. She made a positive influence on me when I was at my lowest point - just divorced after 21 years of marriage. She helped me through the devastation of a broken marriage, two children growing into adulthood and moving on, and learning to stand on my own two feet once more. I can still see her beautiful smile, hear her soft voice, and enjoy the memory of her infectious laughter. Arlinda will always hold a very special place in my heart.
