

## Bill Baker

May 16, 1945 - June 25, 2020

Bill Baker passed away June 25, 2020 in Dallas. Bill was born May 16, 1945 in Carthage Texas, to the late Arthur Lee and Julia Margaret Dean Baker. He was preceded in death by his parents, sister Anne Hammer and brothers: Robert Baker, James Baker and Tommy Baker.

He graduated from Marshall High School in 1963 where he was an All-American athlete, earning a Football Scholarship to Austin College in Sherman. Bill was also an accomplished athlete in other sports and was selected as All-American in both basketball and track.

Bill met the love of his life, Kathy, through a mutual friend in May of 1987, and in November 1993, they were married at the office of Justice of the Peace, Ken Blackington, in Mesquite. His mom Julia, older brother, Robert, and Robert's wife, Faye, were in attendance. After the ceremony, Bill and Kathy went to Lake Tahoe for their honeymoon. The first of many trips they would take in their life together.

Bill moved to Terrell in 1985 and became very active in Kaufman County, serving as Kaufman County Republican Chair for 7 years, where he was integral in helping with numerous elections. He also served as Past President of Terrell Rotary Club, on the Terrell Planning and Zoning board and several charity organizations. He and his wife were also very involved in a Lake

Pointe Church and Life Group.

Bill had a successful career with the Teamsters. He eventually retired in 1995, as a business agent after 31 dedicated years and having earned the respect and trust of so many who had the chance to work alongside him.

Bill was very involved with his family, always there to offer support and guidance whenever needed. He is survived by his wife Kathy Baker; children: Barbara Parlett and husband, David, Kimbrly Crawford, William Baker, Heather Conner and husband, Steven; grandchildren: Scott Crawford, William Parlett, Joseph Parlett and wife Madilyn, Joseph Langley, Cameron Conner, Nicholas Baker, Brody Conner, Blaze Baker and William Baker. Bill was the patriarch of the Baker family, with many nieces, nephews who loved and respected him and will miss him dearly, along with the many friends that he made during his lifetime of serving others. He leaves a legacy of strong faith, the belief in what is right and the hope for a better world.

“ With much sorrow The Stone Family will miss Billy Baker as he reunites with those friends and family who have preceded him. Billy Baker has been a friend of The Stone Family for 50+ years, throughout our family's celebrations, triumphs, and tragedies.. The Stone Family history cannot be told without mention of The Baker Family.

Even as tears form while I write this, I realize that there are not enough words or space to describe the joy and laughter Billy Baker has brought to our family. If ever called upon, Billy was there.. Rock Solid support of anything requested.

While Billy has left many behind who will miss him, I am comforted with the thought that he is leaning on The Gates of Heaven, reunited with those who preceded him.

Yes- Billy Baker, TC Stone, Alan Stanford, and others are using "not so heavenly language" to say "They better leave the lights on passed closing time this week"..

*A great man, a great father, and the greatest friend of our family.*

“ When I first arrived in Terrell in 2008, I was surprised that some came up to me and asked if I was related to Jim Sims. That somebody was Bill Baker. I did not know him at the time but Bill had worked years earlier with my Dad and it was quite wonderful meeting a friendly face in Terrell. Bill always gave me a laugh and hospitality. Moreover, it was great to have someone my Dad's age to chat with about my Dad and some shared background. God Bless the Baker family.

“ To Kathy and all of Bills family:

*We are so sorry to hear of Bills passing. We know you are grieving the loss of Bill. Our hearts go out you the whole family at this difficult time. We are praying for your comfort.*

*Bill was a great man that I really looked up to. He always asked me how I was doing, how are you feeling, how is your knee doing, and was always thinking of others. He was a true Conservative American patriot! We used to talk about politics all the time. Anytime I wanted to know about a particular race, he was always informed. I really valued his opinion.*

*Bill was a Godly man and a Christian leader in our class. I will always remember that booming voice as he read the scriptures every Sunday. His comments were always welcomed by our class members. We will really miss Bills input.*

*Please know that you are in our prayers at this great time of loss. I know heaven rejoices as the gates open up for Bill. He will be sorely missed.*

*Love,
