“ Billy and family,
You were one of the first friends I made when I moved to Terrell in 1970. You and Ronnie Hunt worked with my grandparents at Terrell High School. We all became good friends. I am so glad that we got to talk a couple of weeks before you joined the Lord in heaven. You were a great musician and even a better friend. Rest in peace, my dear Brother and I will see you on the other side.

“ *RIP Billy, you were an amazing funny man. You were one of my favorite people to see every time I went to the police department with dad. You always had a funny joke and a hug. The memories of the start of the fishing tournaments are filled with gratitude and hard work for the kids to be involved with parents/guardians. You had a heart of gold and anyone that got to know you saw it. When I got more mature and started my family, I couldn't wait for you to meet them so I could have your blessing and to make you proud. I got my blessing and dad got a good talk about being a grandparent and how he loves it. I'll never forget all of these memories or so many more. May you rest in peace now Billy* ❤️
