“ I’m sorry for your loss. I have good memories of him. There were many times I went by his house after I lost Boots and Wendell and he would tell me he just couldn’t believe Wendell and Boots we’re gone. He will be missed by many people. I wish I could be there for the funeral but I had a wreck and totaled my car. I am having to depend on my boyfriend to get me around and he lives in Lindale. Family will be In my prayers.
