“ Always seeing him with his beautiful wife Tammy and his kids and grandchildren. He was such a great person and loved his family. I always respected their family time during the holidays. He was always smiling even if he didn't feel up to it. He will be missed. He was a father figure to my son Blake and I am so grateful Blake and Billy had the relationship they had. They worked well together along with spending family quality time as well. Billy was such a respected man. My heart is sad for the loss of someone so young and he truly loved his family. God is lucky to have some of the loved ones we have in Heaven. What a day when we all reunite for eternity. Thank you Jesus. I will continue to pray for this beautiful family.
