

## Bobby "Bob" Gheen

August 6, 1945 - November 5, 2023

Bobby "Bob" Dwayne Gheen, age 78, passed away peacefully with loved ones by his side on November 5, 2023. Bob was born in Gun Barrel City, Texas on August 6, 1945, to Jack W. and Lillie B. Gheen, both of whom have preceded him in death along with his beloved wife, Carol Kerr Gheen.

Bobby was affectionately known as Peep Gheen by those closest to him and was known to be quite the character. Bob had a one-of-a-kind sense of humor and could light up a room with his quick wit, a timely response, or a funny story that would have his family rolling on the ground laughing with delight. In his younger years, Bob played football and the number 32 became a big part of his identity on and off the field. In his later years, Bob, Carol, and family members would take trips with their motor home to state parks and would frequent Oklahoma, Arkansas and Texas parks. Where you would find Bob, you were sure to find his beloved dogs; Patrick was his perfect pet companion and previous to having Patrick, Bob doted on Mack and Tuna, two other dogs he deeply loved and cared for. An annual tradition for Bob became going to the State Fair of Texas and saying, "Howdy" to his larger-than-life-friend, Big Tex. Those who knew Bob best will miss him deeply.

Left to carry on Bob's memories are his children: Jennifer Hunter and husband David, Bobby Gheen II and wife Kendal, Jack Gheen, and Katie Boyer and husband Terry, along with sisters Linda McGinnis and husband Brad, and

Jackie Waggoner and husband Thomas. Also left to carry on Bob's legacy are his grandchildren: Lane Hunter, Lillie Hunter, Caroline Gheen, Dylan Gheen, Max Boyer, Reece Boyer, Hank Boyer and sister-in-law Chanel Pyle, along with numerous nieces, nephews, family and friends, all of whom will miss Bob very much.

A graveside services is scheduled for Saturday, November 11, 2023 at Oakland Memorial Park beginning at 1 p.m.

In lieu of flowers, Bob's family invites you to make charitable donations to Dallas Dogrrr at <https://www.dallasdog.org/donate>

“ *My sincere sympathy to all of Bobby's family, we were classmates all through school and Bobby was one of the sweetest and kindest persons I've ever known. The last time I saw Bobby was at our class reunion about five years ago, I'm so glad we had a chance to visit a little while, he was still the same Bobby as he was in school, great smile and great personality. My thoughts and prayers are with all of you now and in the days ahead. Linda Bodin Bankston*

“ *Bob was my neighbor and a treasured friend! Such a kind - beautiful soul! I am truly blessed with having known him and having the privilege of calling him my friend. We had many chats and lively conversations. I could always count on him to watch my house when I was out of town. Bob loved his family and that treasured family time with them. “ I had the honor and pleasure to work directly with Bob when we were at Senco together in the 1970s through early 2000 period. I was able to observe him in action in many business settings for a lot of years. In his many sales and executive positions within the sales and marketing organization - both in the USA and around the world - Bob had a very direct and positive impact on creating/nurturing/maintaining/enhancing/perpetuating Senco's image and global position as a leading brand.

*His handprint can be found on many decisions, and the implementation of decisions, that lead to Senco's growth in sales, profits, and stature for all of the years that he was employed by Senco. Every company would, and should, want to have the privilege and opportunity to employ a big bunch of people like Bob.*

*He had a unique and enviable way of sorting out complex issues and coming up with simple, effective, and implementable solutions. I observed him do this time and time again on both business matters and personnel matters.*

*He had two focuses in all of his dealings as a Senco employee - satisfying the customer and teamwork inside the company to accomplish objectives. Bob was never a political guy in his interactions with people - never a hidden agenda and no interest in putting his personal interests or goals ahead of the company goals. You could always take Bob at his word - he would always say what he meant and meant what he said. But, he was always highly respectful and honorable in all dealings with all people at all levels of the organization.*

*As savvy and as smooth that he was in his dealings with people - both inside and outside of Senco - and with other companies, he was always honest, fair, considerate, and thoughtful. In the years when he and I worked together, there were many interactions with independent distributors around the world. Some of these interactions were over disputed issues. But, Bob always found a*

*way to resolve matters in a fair and respectful way. The distributors liked Bob for many reasons but the two most important ones were that the distributors trusted Bob and knew that he was always fair to them.*

*May he now rest in peace, and join Carol and other family members who have also departed before Bob. My condolences to his family, and to all of his friends around the world.*
