

Bonnie Louise Guile

September 7, 1948 - January 29, 2026

Bonnie Louise Guile, of Terrell, passed away peacefully on the evening of Thursday, January 29, 2026. She was born September 7, 1948, in Atlas Township, Michigan to Ralph and Jean Lorraine King, both of whom welcomed her into Heaven along with her siblings, Margaret Ford and James King, and her grandsons Scott Guile and Jeremiah Trospen.

Always known to be creative, giving, and thoughtful, Bonnie enjoyed the labor of love that it took to complete the tops of quilts for her loved ones. While she did not always get to the batting, she still crafted each piece intentionally with love. Along with her talent and incredible design skills in quilting, she also enjoyed cross stitching and sewing. Her beloved daughters shared cherished memories of beautiful handmade prom dresses she had made for them.

Bonnie's love and devotion to her family was always evident, and she would do anything for her family including skipping her own mealtimes just to provide a wonderful, homecooked meal every time they sat down to eat at any time of the day. Another favorite way to spoil her family was when Bonnie would "sneak" her grandchildren out of school a little (or a lot!) early to spend time with them at the movies and parks, despite any and all consequences from her own children for the spontaneous adventures!

No matter the occasion or the day, there was nothing more important to Bonnie than being close to her loved ones and her dedication and loyalty to

her family will leave a treasured legacy that they each will be proud to carry on with the same love and sprit of fun that Bonnie brought to everybody, every day.

She leaves her memory to be cherished by her husband of 44 years, Gordon Guile; brother: Gerald L. King; children: Michael A. Guile, Daniel L. Guile, Jean L. Johnson, Michelle L. Trosper, and Christopher H. Guile; grandchildren: Diane, Kate, Rebecca, Bethany, Austin, Hunter and Pearl; 16 great grandchildren and many nieces, nephews, and extended family, each of whom Bonnie loved dearly.

“ Gordon, I am so sorry for your loss. When my brother and I were growing up you both were such sweet neighbors! From coming over playing with your cats, you showing us your trains in the shed that you had and so much more! I sure will miss Bonnie but those memories I will cherish forever. Hugs to you and your family
