

Carl James Dixon

July 21, 2025

Carl James Dixon, longtime resident of Dallas, passed away peacefully on July 21, 2025. Carl was born in Ennis, Texas on October 13, 1943 to William Henry and Mary Dixon, who both preceded him in passing along with other loved ones, each of whom joyfully welcomed him into Heaven's gates. Carl graduated from George Washing Carver HS as a valedictorian of his class. After graduation, he then continued his academic journey at Prairie View A&M College where he received his bachelor's degree in education and was also involved in the ROTC program. Carl enlisted in the Army and was commissioned as a 2nd Lieutenant upon entry. After serving his country with honor and distinction and achieving his honorable discharge as 1st Lieutenant. Carl returned home and began working as a teacher with Dallas ISD at the elementary level with several campuses. During his teaching career, Carl continued in his love for education in attending Texas A&M Commerce and finished his studies with his Masters and Doctorate degrees in education. He was active in many teaching and administrative positions, including assistant principal, during his 40 years with DISD and there are countless stories of the impact he made on so many young lives. When not working, Carl loved fishing, spending time with family and his friends and, of course, his dogs! A man of quiet strength, incredible intelligence and a servant's heart for all, Carl will be greatly missed by all who knew him. He is survived by his brothers, Robert Dixon and Charles Dixon along with several nieces and nephews, other extended family, a host of friends and

colleagues and the many students who all loved Mr. Dixon.
