“ *Mr. and Mrs. Buice were incredibly dear friends to my grandparents. Mrs. Buice was the embodiment of grace and kindness, and everyone loved her.*

“ *All during my childhood, I spent time with my cousins, Judy, Janie & Nancy out in Forney. Carlynn was always so generous & kind when I was staying with them. She often would ask me lots of questions and seemed to get a kick out of my goofy answers with a knowing smile. She was a tireless help to Mammy, my Aunt technically, but more of a grandmother. She will be missed until reunited with us all. Rest well....love, Ann*

“ Miss you so much already, Carlynn! Weve loved each other for 90 years! Greet all of our family members in Heaven, I'll be joining you all someday- please give Mom and Dad a big hug for me, Grandma and Grandpa too, and tell Leo to behave! The girls will take good care of Ed! Weve shared so many memories, too many to share-we didn't get into too much trouble growing up together!
Love you so much!!!

“ i loved my Aunt Carlynn very much. She made the best ice tea in the world. Janie, Judy and I played almost every day of our lives together as children so I was at her house a good bit of the time and always loved it like a second home.. My mom and I will miss her very much but know we will be reunited with her someday. Our prayer go out to all her family and friends at this time.

“ Carlynn was such a wonderful woman. She made a great difference to all of her students throughout the years. I never had the pleasure of having her as a teacher, but I lived next door to her from the age of 13. She and my mom just loved each other, and she was a great neighbor and friend to both my parents. I have so many memories of her, from her giving me a ride to school to hot summer days. She and Ed were a great God-loving couple, and they raise two amazing daughters. My love to Ed, Janie and Judy and all the family. I know she is in a better place and that you will all see her again one day.
Love and hugs, Debbie Singleton Stuart.

“ *This angel on Earth, now in heaven, was a much beloved lifelong friend who exemplified quiet godly strength in everything she did. When Chris and Craig speak of teachers, she is always a favorite. During our visit last year I sensed she was a little tired--but accepting--of the effects of aging, so I am happy for her to be relieved of pain and suffering. That said, it still hurts to know this beautiful woman has left us. Please give my love to Mr. Ed.*

“ *Mrs. Buice was my third grade teacher--such a good one, too! She was always patient and kind to all her students and to this day, the haunting fragrance of Tabu perfume reminds me of her. Loved her and Mr. Buice so much--pillars of the community of Forney my whole growing up years and beyond. She will be missed. Love and prayers to Janie and Judy and Mr. Buice.*

“ My dear, sweet friend, CarCar! We were so close from the time we moved to Forney in Sept. 1966. Ed and Bro. Jerry visited us for church (First Baptist Church, Forney) as soon as we moved and got settled. We went and never left until we moved in 1991.

We had more fun and the memories are so meaningful. The family, (Ed, CarCar, Janie and Judy) began to babysit Dava right after she was born in 1967. It has been a great journey with the Buices. I believe Carlynn was the strongest woman I have ever known. I love each of you. I know David and CarCar are enjoying Heaven together!

“ Your mom was the first teacher I had when my family moved to Forney. She was a wonderful teacher and lady. She was also one person who influenced me to become a teacher! I also had the pleasure of working with her in my first years of teaching when I came back to Forney. I know she is happy and enjoying her new home in Heaven. My life was very blessed by her. May God give each of you peace, comfort, and strength through the sad times ahead. Prayers, love, and hugs from Alaina (Greenwood) Bell 🙏💕
