

Carol A. Gulick

April 1, 2026

Carol Gulick, beloved mother, grandmother, great grandmother and friend, passed away on April , 2026 in Rowlett with her family at her side. Carol was born on Feb. 16, 1943, the daughter of Oscar and Dorothy Rosen, both of whom joyfully welcomed her into Heaven along with her grandparents, Ward and Lenny Dawkins and her brother, Ward "Nick" Rosen.

After retirement, Carol moved to Terrell and created her perfect home in the country. She loved all animals and all the wildlife that came to her home were numerous and well fed! She had feeders for birds as well as wonderful flowers for butterflies and bees. Without doubt, she was also a willing contributor in making sure that squirrels, raccoons, possums, deer an any other four-legged friends found as much happiness in her yard as Carol did. She loved her family dearly and would call her son, Nick, daily to tell him about the many visitors she had and how each little creature knew to be polite and enjoy the company of each other as much as she enjoyed seeing them. The pure joy and contentment in her voice on those calls sharing about the many furry friends that visited Carol will be forever held dear by Nick and her family.

She leaves her memory to be forever cherished by her son, Nick Gulick and wife, Lea; grandchildren: Crystal Pettigrew, Nicklas Gulick, Cody Gulick and also some very awesome great grandkids as well as other extended family, each of whom adored Carol.

A celebration of her life is being planned by her family for a later date.
