“ I worked for Carolyn in the early 90's for several yrs. She was a great boss and friend. I so enjoyed my job then. I would drive Carolyn all around and also to Dallas where she would pick out all kinds and types of supplies for the shop and then say...lets stop and grab a bite on the way back!!! I wish I had kept in touch with her. I still think of her often and miss our chats we had. RIP dear, sweet, Carolyn!!!
