

Chace Haydon Mahan

October 26, 1990 - November 12, 2022

It is with profound sadness that we announce our beloved son and brother Chace Haydon Mahan passed away Thursday November 12, 2022 in Terrell, Texas. Chace was born on October 26, 1990, to Jody Dee Mahan. He is preceded in death by his maternal Grandfather Jerry Edward Mahan, paternal Grandfather Arthur V. Perez, paternal cousin Robert J. Perez, and paternal Aunt Linda P. Rendon.

Chace was a wild and untamable spirit with a love for family, nature, art, and the unknown. He was born with an old soul to the wrong era of time. He loved all things mystical and medieval that involved elves, knights, swords and honor. He had an incredible talent for art, he could carve, mold, make or draw pretty much anything he saw with an uncanny eye toward detail. Chace never took himself seriously and he had a need to make people laugh. We will forever remember his playful spirit and his love of family first, foremost and forever.

Chace is survived by his mother, Jody Cagle; father, Ronnie Cagle; brothers: Nolan T. Cagle, Scottie G. Cagle; sister, Savannah Q. Cagle Flint; niece, Leona M. Flint; maternal grandmother, Sara A. Flood; paternal grandmother Angie Perez, and numerous aunts, uncles and cousins.

A Gathering of Family and Friends is scheduled for Thursday evening, November 17, 2022 at Max Slayton Funeral Chapel from 5 - 7 p.m.

Chace was one of the best friends I ever had and I will never forget all the fun crazy times we had and how much he could make me laugh. I will miss him forever and always, I still can't believe you are gone...

Chace is one of my best friends since childhood, always had a blast with him weather we were doing good or bad. But there were always 4 of us. And we will always be best of friends! Love him and his whole family! And he will surely be missed by my family and i and many more. This is all so unreal to me, still to this moment.

I will forever cherrish the time i was able to spend with him. He was such a genuine, heartfelt and funny guy, always ready to crack a joke even at his own expense. The world is a darker place without this handsome young man in it.

Chace was always a kind and funny guy. When I moved in with my grandparents, we got to hang out more and ran around the town like ninjas. I remember seeing how talented Chace was with art in elementary school when a project he brought in had detail like Da Vinci. He made a sculpture figure of two cupped hands which were so realistic looking. I also remember him, Christian, and Zach making a funny video project for school complete with a bloopers reel! You will be missed Chace.. May you Rest In Peace.

“ Chase we met almost 2 years ago. You hit on me on Facebook. You were relentless. We talked everyday for over a year. Noone knew. Just you and me. I feel like messaging you and telling you about this. We haven't spoon in about a week and a half and I messaged you happy Thanksgiving. Instead I found out you were sick. Thank you for telling me goodbye. Goodbye xoxo
