I met Chuck in the early 2000's at the A-1 Golf Range & Course. We were playing a skins game with other great guys for years. We would play our 9-hole skins game during the week and drink a few beers and then go have a burger & fries and sometimes we would end up at my house playing pool. Chuck & I had a great relationship from the beginning - we always rode in the cart together. We played several scramble tournaments at other courses; went on an awesome trip with our wives to the Indy 500 race & that was an extraordinary experience. I "zooped" up his old blue '94 Corvette - many fun times together...
