“ So many memories, so many years of friendship, the last time we were together was this past June here in Arizona when the four of us hung out enjoying being together and just plain relaxing, never did I imagine I would be writing this. I remember starting back at Broken Bow and the other family reunions where we be making eggs and flapjacks and watching the youngsters growing up to become men and to our times fixing up Mom Evelyn's kitchen sink and us hanging out under the kitchen sink together. So so many memories, you were amongst the first to welcome me to the family. Charlie you were always the best and willing to help anyone at anytime. God received a good man I will miss you and our hanging out.

“ I will always remember Charlie as a wonderful person who would do anything for anyone. I knew him for 60 yrs., since 1967 and he was so good about taking everyone out on his boat to ride and water sky for hours on end. I remember when we were young and going to Lake Waxahacie for the weekend camping, skying and socializing as young couples. Special memories of him will be what gets me through losing him. You will be sorely missed.

“Charlie, Charlie, Charlie...I can't believe you left us. And I can't believe you got to Heaven before I did, you stinker. I don't know where to begin, there are so many great memories with you & Sandy & Nate that go back so many years. So many trips to the lake for water skiing and fun with the family, so many family Christmas get-togethers and other parties. Gosh that was great times, and you were always there filming so we could all enjoy the fun over and over. Charlie, you were always there for whoever needed assistance with anything and you always had a smile. I love you for always helping Mom so much and I'm sure she already has a list of things for you to do there at her new home in Heaven. I have been trying to imagine the look on Mom's face when she saw you walking into Heaven, after Lee said, "Welcome to Heaven Charlie". You are one in a million Charlie Mack and I know you will be missed by everyone here so much. Me and Al sure do miss you. We will see you again in God's time. We love you, Trish and Al.

All the time we went to maverick games, hockey and most of all the traditions went to Wendy's before the rangers game with mike and Danny Jackson. Teaching me how to water ski. I QUIT lol. Never forget that day. Love you and can't wait to see you again in heaven.*

“ *Charlie,
You are truly missed and I have so many wonderful memories from trips, going out to eat, just hanging out and visiting over dessert and a cup of coffee. You were such a blessing to me and my Mom these last few years, always there when we needed help. I will miss your smile and laugh. Love, Cindy*

One of my favorite memories of Charlie was when all the kids in the family were small and each year we had a family Christmas party and Santa would always show up to pass out the Christmas gifts. Charlie would volunteer to be Santa and he was just great at it. His wonderful personality and wit was so awesome. The kids just loved it and their eyes would just light up and you could see the joy in their faces. Miss and love you my brother-in-law. Danny J.

I remember the football games on the hill. We were all youngsters back then. And when you married into the family you married the whole family. Charlie was a great part of that family and of those memories.
