

Chase Moore

April 29, 1999 - October 22, 2023

Chase Moore passed away with loved ones by his side on October 22, 2023. Chase was born April 29, 1999 to Cozette Marroquin Moore and David Alan Moore at Baylor Hospital in Dallas, Texas. He entered this world ready to take on the life that lay before him for the 24 years he would be on this earth. No one was a stranger to Chase. He was truly one-of-a-kind. His personality shined through at every opportunity. He was a fast thinker and was quick with a response that would leave you laughing hysterically. Chase had a wonderful imagination and was quite the comedian; he was always the life of the party. Chase was always a truly genuine person, loved by all who knew him, a pure spirit and wise beyond his years. Chase and his brother David are not only brothers but best friends always there for each other. Chase was a fisherman and an outdoorsman. He loved camping and hiking, spending time with all of his friends, otherwise known as his self-chosen family of brothers and sisters. He loved being with his family and friends. Chase loved good music and good food. You always knew what he thought about everything by his facial expressions and was never shy with his opinions. He loved to talk and often engaged in deep conversations about his love of life, family and country. Chase lived with a cat named Gypsy, his most cherished, spoiled pet and his lovable sparring partner Bunkin the cat. Chase worked in the Fire Protection Industry with a specialization in Fire Sprinkler pipefitting. His work ethic was exceptional. It is impossible to sum up the personality, the love of life, and his love for his family into a few paragraphs. We will all

forever hold the love and memories of this young man, forever in our hearts.

“Chase, you and your smile made everyone's life just shine a little brighter no matter what we were going through. You always listened and always gave the best advice even if it was something small. I will never forget how you always called Elijah “Little Eli” Your hugs were one of a kind and you were always so happy. We will never forget the caring person you were. We may not have been related but you will always be family! We will forever love and miss you!

“Chase you had such a kind soul. You always checked in on me and the kiddos always telling us "y'all done a good job" you were always giving my kiddos advice. You said you were proud of us but Chase little did you know that your smile changed me especially after Andrew. Little did you know that the smile and hugs you gave me were felt deep down in my heart.

I remember that day I took care of you when you burned your hand cuz you were being a kid and playing with the fireworks. You were serious for a split second but than that smile came over you again!!!

I love you more than you would ever know and wish I would have said it more and louder!!!
