“ *That saying "The Good Die Young"...*

*That's true about Chris. He was a really good guy...
Ever since I knew him from high school he was always so mature
and responsible.*

He took care of himself while he was at a really young age.

He was always so kind and soft spoken, so sweet.

*He was a great locksmith and great singer. I always loved to hear
him sing. Now he is singing with the angels.*

*I know its hard to let him go. But he sure is in a better place. This
old world has turned bad. I certainly will keep you all in my
prayers.... I know he will be missed by so many... And I will miss him
too.*
