“ *Clara was a very loving and caring woman. She wasn't related by blood to me but she was like a mother, aunt and grandmother to many of my family members. We considered her, and her children as part of our family. We loved Clara and her children as we did our own cousins and Aunts. She and my mom were very close and shared so many good times together. She gave my mother a Bible for her birthday many years ago and after my mom's passing, I have that Bible which I cherish even more today. She will be greatly missed as my thoughts and prayers go out to Patti , Mary and all the family. Oh what a reunion she is having in heaven.*

“ So sorry to hear the loss of Clara, my condolences to the family. I worked with Clara at Colonial Hospital and she was such a sweet lady. I have spoke with her every time I seen her in town, at Walmart or even when she would come to the doctor's office with her dear friend Ms Dorothy Crow. She always remembered me from way back from the Colonial days. Love to speak with her every time. Rest in peace my friend.
