“ You are truly missed, I was thinking of you and thought I'd give you a call; but your number wasn't in my phone any more. I checked facebook and couldn't find you. Do I googled and I found out you were gone from this earth. I'm so sad; the bots and I were talking about you the other day and reminiscing about the last time we came to visit. You will and are truly be missed.

“ My condolences to Conrad's family and friends. I road past your house today and noticed there wasn't a horse in the pasture so looked you up to discover you've recently passed and now with Jesus. You were an instant friend to me from the first time we met while you were selflessly maintaining the neighborhood on your tractor. Bonfires at the cemetery and the friendly banter we shared will always be treasured memories to me. I regret not taking more time to spend with you and listen to you and your fond stories of memories days gone by. You will be missed my friend!

“ Oh Conrad. I can not believe this. First Meta the love of your life in September, Jimmy the love of my life in October, and now you only a few short months later. Atleast you 3 are reunited. My heart is completely shattered. Save me a seat up there. RIP fly high 🙏 until we meet again your favorite daughter in law as you called me- Dana Sumner Plevnic
