“ I have only known Danny for a short while but we instantly became friends, He was always in one of his white trucks and we would exchange waves around town. I truly enjoyed each time we had the chance to talk. Our conversations were always positive and his love for our Lord and Savior Jesus Christ was so obvious. Danny has left such a positive impact on my life and I know that he is in the presence of the Lord. He is now healed of his infirmities and experiencing the wonder and beauty of Heaven. I pray that God will wrap his loving arms around his family and give them comfort. I will truly miss this kind man!
