My father, Charlie, and I have volunteered at the Spay & Neuter Clinic for the past year. Dave was so nice, so sweet and we enjoyed getting to know him. We're going to miss his presence at the clinic. May you rest in peace, Dave.

Dave was always so kind, lighthearted, and funny. I remember him always smiling and making our co workers and me laugh hysterically with his witty jokes and contagious laughter. He had a warm fun loving personality that was magnetic and made everyone want to be friends with him. This loss of a remarkable person is truly heartbreaking. I will always remember the friend I made in him last year.

-I only knew Dave for 5 short months while I worked at the clinic, before leaving to go back to school to finish my business degree. And in those few months of getting to know him, WOW, how he left quite an impression in my heart. It truly speaks volumes of his character when someone who barely knew him, other than being a co worker of his, yearns for his loss.

My deepest and most sincere condolences to his family.

May You Rest In Peace, sweet friend.
