

Deborah Smith Skinner

April 13, 2024

Debbie Smith-Skinner passed away on April 13, 2024, in Terrell, Texas, surrounded by loved ones. Debbie was born on August 5, 1953, in Richmond, CA, to Ralph and Nellie Smith, both of whom has preceded her in death.

To know Debbie was to know a person who loved her Lord and Savior with all of her heart, Jesus Christ, and second to Him, she loved her family. In Debbie's professional career she was an executive assistant in the medical field, but to really know Debbie you would know she had an affinity for Mexican Food, in which she would pray before ever meal, especially the chips and salsa from Chevys! Debbie always enjoyed the outdoors and nature, taking trips in her little RV while traveling. Debbie also enjoyed shopping and gathering items that would personalize her wardrobe, like jewelry, stylish clothes, and shoes to match it all! The treasure above all in Debbie's life was her love for Jesus and family!

Left to carry on Debbie's treasured memories are her husband, Sam Skinner, children: Jennifer Dunn and Jason Dunn; and grandchildren: Taylor, Hayley, and Raymond.

The family is planning a service for a later date.
