“ *I always enjoyed my conversations with Don. A good man who loved the Lord and his dear wife Frances. Until we meet again my friend!!*

“ *Don always came to Sunday school early to make coffee for everyone and visit. He taught me how to make it just before he became sick. I'm sure I don't make it quite as good. We sure miss seeing his friendly face. Rest In Peace.*

“ *Was so much fun watching Don as he started getting ready for The Salvation Army bell ringing event by letting his beard grow out..white of course..and he and Frances would show up for their time slot and he would be wearing his Santa hat and a big ole smile..*
