“ *I had been calling Donna's phone for a long time but it was not usual for her mailbox to be full. We are so saddened to learn of her passing. I checked on her FB which I know she never posted on and was so shocked to see she had died. I hope she did not die alone. I was worried she would be. I know she loved her animals and her birds. It was through canaries that we met. We will never forget her; she was one of a kind. Rest in Peace Donna. My sincerest condolences to her family and friends. Dian Clark @verizon.net I wish I knew what happened. Donna, check out those aliens from afar. Peace, my friend. We loved you, John and Dian.*
