

## Dorothy "Dot" Day

July 28, 1926 - October 24, 2022

Mom is now with Jesus in her eternal home. Dorothy "Dot" Day, born July 28, 1926 in Emily, Pennsylvania, passed into eternity on October 24, 2022 in Terrell Texas. She cared deeply for her family and neighbors. She did this not out of obligation, but because of who she was. She was always the first to offer help. In addition, she always ensured that every child who crossed her threshold was safe, healthy, and happy.

Dot married Roland "Dick" Day September 1, 1948. Together they raised 6 children in a home built by their hands. Mom loved the outdoors, fishing and camping. Her fishing pole was always handy awaiting the next fishing adventure. Mom had a special love for animals, raising everything from chipmunks to horny toads and a sheep named Jakie, as well as numerous dogs.

Dot leaves to cherish her loving memory to her children, David and Peggy Day, Lena and John Williams, Dick Day, Lisa Day, wife of late Madison L. Day, Dorothy & Bill Hayes and Cecelia & Pat Ridge, 22 grandchildren and 18 great grandchildren along with numerous nieces and nephews. Previously departed loved ones included Roland R Day, husband of 62 years, son Madison L Day and grandson Christopher Harman.

So on this day, let the thoughts of her presence refresh our hearts and minds as we look to the memories we all cherish so much.

“ I am posting this note from my Dad, Dave Day Sr. We have been talking about things the last week and he has brought up several times how they did not have a lot of money when he was young, but the creek was nearby. Grandmom would take the kids there to fish when they were little and she loved it too, of course. But I think those quiet moments with the kids fishing had a lasting affect on them, since the seem to remember it so many years later. But it also impressed on me how much a mother like Grandmom can have on so many lives.

One funny story that my Dad tells often is when he was a teenager and was sneezing and had a runny nose and just felt terrible.

Grandmom told him to grab the cat and snuggle up in bed and he would feel better in no time. A couple days later and probably a few boxes of tissues later, they figured out my Dad was allergic to cats! He used to tell that when Grandmom was over and they would both laugh so hard about that! She will be missed!

“ I always remember that Grandmom was happy to see us and greeted us with a smile when we would visit as kids. When I was a child next door and wandered over to see the chickens, or when we visited as a family, or when I was older and showed up unannounced with Kim. Thinking back, she probably wasn't always having the best day or the timing wasn't great, but you never would have known, she made us feel welcome.

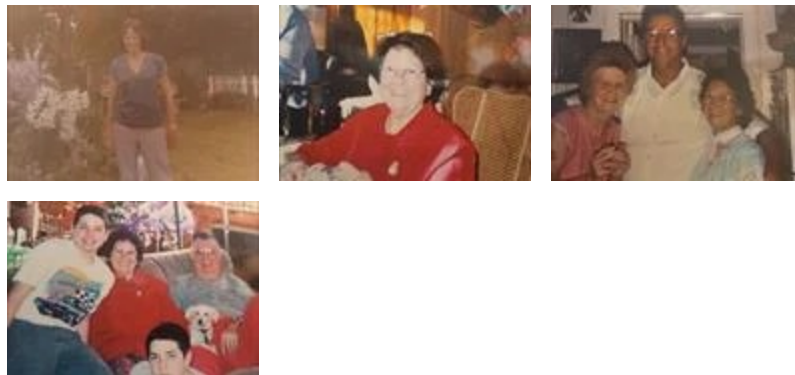

When Kim and I started our adventure farming, she taught me so many things about caring for and "preparing" chickens - it was something we are grateful for and cherish to this day. We still use the egg size scale each week and that will always remind us of her contribution to our lives that will live on for generations, just like her memory.

“ Our Mom had many talents. She was a wife, mother, sister. She was also a work at home mom. She raised chickens for our family to enjoy the eggs and a good chicken dinner. She would grow 1000 of tomatoes plant to sell them for our school clothes and extra things. She also had a beautiful flower garden people would stop admire her talents. We have many memories that will keep her within us. She also like to go camping and fishing. I glad she had a wonderful life.

“ I remember Grandmom loved purple . I remember when I was little we would eat saltine peanut butter and jelly "sandwiches" with Grandmom. Pickled green beans and pickled eggs were always on hand for the hungry kiddos. I remember watching Grandmom and Granddad sitting on the back porch. They enjoyed so much time there watching the grandkids play. The fondest memories were those spent fishing with Grandmom. I remember fishing for puffers in NJ and spending each summer growing up on a huge family vacation in Chincoteague. I love you Grandmom.

“ *Aunt Dot was so talented in so many ways. I remember camping with family and friends. I had a tick behind my ear. When she lit the match to get it to back out she explained what was going on so kind and sweet. She taught me to trust and how to get rid of ticks. Fond memories.*

“ Oh how blessed I was when God paired me with you. A mothers love sweet kiss and hug no other mom would do.  
So thankful for the assurance that the bible gives us whom claim Christ as our savior.  
Jesus says in John 14 "Let not your heart be troubled; you believe in God, believe also in Me. In My Fathers house are many mansions; if it were not so, I would have told you. I go to prepare a place for you, I will come again and receive you to Myself; that where I am, there you may be also".  
Thank you Jesus for the truths given to us in the Bible.  
love you Mom.
