

Dorothy Hall

March 20, 1931 - March 6, 2019

Dorothy Louise Hall, formerly of Terrell, passed away peacefully on the morning of March 6, 2019. She was born March 20, 1931 in Dallas, Texas to Lowell Mason and Fannie Elizabeth Matthews. Dorothy was reunited in Heaven with her parents, her beloved husband, Bill Hall, sister, June Conway and her grandson, Jesse Rigsby.

Dorothy grew up in Dallas and after graduating high school, she met, and later married, the love of her life, Bill Hall on May 24, 1952. She was a devoted wife to Bill and loving, supportive mother to her children, Kathy and Kenny. Dorothy was a longtime member of First Baptist Church of Terrell where she also taught Sunday School in the Children's' Department. Dorothy also loved singing and she participated in the church choir. Her talent for baking was well known and folks enjoyed receiving Dorothy's 'goodies' as much as they enjoyed the visit with her! She was the first to drop something off to a new neighbor, family with an illness or 'just because'. Crocheting, sewing and all kinds of crafts were things that Dorothy truly enjoyed along with spending time with her family. When her health began to decline, she moved to Rapid City, SD to be near family and many more precious memories were made. Her generous spirit and lively personality made instant friends of all who met her and her sweet smile will be missed by everyone who knew her.

Dorothy leaves to cherish her memory her daughter, Kathy Murtland and

husband Kent, of Rapid City, SD; son, Kenneth Hall of Bridgeport, TX; nephew, David Conway and wife Debra, their son, Tyler; grandchildren: Taylor Murtland, Tiffany Smart and husband, Jesse, Richard Lee Murtland, II, and his fiancée, Ushashi Chakraborty, as well as other extended family and friends.

Funeral service will be 10 am Tuesday, March 12, 2019, at Max Slayton Funeral Chapel with a private interment to follow. Family will receive friends 5 pm to 7 pm, Monday, March 11, 2019, at Max Slayton Funerals and Cremations.

“ *Dorothy Halls delicious country cooking was well known among all her friends and family. David & I were stationed at Ft. Hood for a few years in the early 80's. During that time, David was sent to the DMZ in Korea for a year tour of duty, leaving Tyler and myself on our own. Every now and then, when things got to be lonely, I would call Aunt Dorothy and she would say , "well hey, why don't you two just come up here for a few days". Those few days with Aunt Dorothy and Uncle Bill were sanity restoring. One day, after one such visit, Tyler and I were making the long drive home, and Tyler looked at me and said, "Aunt Dorothy cooks so good, she even makes vegetables taste good !" I can easily say that Aunt Dorothy made everything good.*
