“ I was so heartbroken to hear of Dylan’s passing. Dylan was part of my daycare family for some of his elementary years in California. We were so sad when he moved to Texas. We never had a bad day when we picked up Dylan after school because the day always became a lot brighter. He made us all laugh and was so silly and fun no matter what activity we did. The daycare didn’t feel the same after he moved. He was one of my favorite kids. Our thoughts and prayers are with Roselyn and Fonz.

“ I have so many it is hard to just list one but I remember him singing karaoke with his grandparents and wanting to sing Defender for me because it was a song that helped me through a difficult time. I am so glad I saved the video and have watch it often. He has tears while he was singing it and brings tears to my eyes every time I watch it.
