

Ed Walton

August 5, 1953 - March 15, 2017

Ed Walton passed away March 15, 2017 with his family by his side. Ed was born Aug. 5, 1953 in Teague, Texas to Edward Allen and Linnie Lorene (Knight) Walton, both of whom preceded him in death along with his niece, Amy Katherine York.

Ed grew up in Teague and graduated from Teague High School in 1971 and then graduated from Baylor University with his degree in law in 1976. On March 4, 1983, he married the love of his life, Debi Moody. Ed had a love of reading and he believed every day presented a new opportunity to learn by reading or listening to audio books. Any and all topics fascinated him and there wasn't a subject that Ed wouldn't take the time to learn more about. He was a member of First Baptist Church of Wills Point where his service to others mirrored his service to the Lord. He was also a devoted husband, father and grandfather and his love for his family was unparalleled. He enjoyed every activity that he was blessed to share with his family and treasured each of these moments as blessings that would develop into cherished memories and lasting legacies with the ones he loved most.

Ed is survived by his beloved wife Debi Walton of Terrell; children: Jeremy Ledbetter and wife Deanna of Terrell, Jennifer Harrell and husband, Wes, of Rockwall, and Glenn Walton of Los Angeles, California; grandchildren: Matthew Ledbetter, Greyson Harrell, Griffen Harrell, Sloane Katherine Harrell, Liliana Walton and Julian Walton; sisters: Iva York of Fairfield, Dee Mann and husband, Clyde, of Terrell, Genny Stone and husband, Thomas, of Port

Lavaca, Tx; nieces and nephews: Mitch York, Jeff Boyd, Dana Boyd, Todd Worley and Tim Worley as well as other extended family and a host of friends. A private service was held by the family to celebrate Ed's legacy.

For those wishing, memorials may be made to honor Ed by a contribution made directly to Smile Train, an organization dear to Ed's, and his family's, heart. Donations may be made directly to his memorial website at <http://smiletrain.org/memorial/2mzu8SU>.

“ *I have quite a few memories of Ed at my Aunt Iva's home in Fairfield. It was those family gatherings that were so special to me and my family. Ed would always talk guns with my 21 year old son and it captivated Coy. I just found out about his passing and my heart goes out to Debi and all the family. My thoughts and prayers are with you all Aunt Iva, you are also in my thoughts and prayers. Love to you all.*

“ I don't have the words to express my shock. Ed was in my office just 2 or 3 weeks ago. He was working on my wife dad probate and has done several other things for my company and family. I loved talking to Ed about guns and have sold him several in the past. ED look at my travel trailer and said he wanted one and to start traveling. Ed my friend I will totally miss our phone conversation and pray peace for your family. Love you.

“ Ed Walton made a huge impact on my life. He gave me my first adult job which began my love of the legal world. He was a teacher, counselor, and advisor. I was shocked and deeply saddened to hear of his passing. I wish his family peace and prayer in this time of grief and loss.

“ It's all because of Ed that I entered into the crazy legal world. I'm not sure if I'm supposed to be grateful or upset. Ed taught me so much. I have such fond memories of him from elementary school (as he was always in trouble) to him becoming a brilliant attorney. Although I've worked for many attorneys, he was always my "go-to" guy. He will always come to mind when asked, "How are you?", to which he would respond, "Better than I deserve." He will be missed by many who loved and respected him. My prayers are with Debi and the family.

“ Ed and i settled a big case in 2000 so we took a trip to Curacao to go scuba diving. Ed was in prime joke and story telling mode and there was a couple also staying at our hotel that was on their honeymoon. The honey moon couple sought us out at every meal to hear Ed's stories about Texas, and East Texas, and lawyering and East Texas and funny stories he remembered. I know he made their honeymoon and all of those who joined in to listen to the stories of the crazy Texans.
