“ *My name is Brandy Alexander. I went to college with Erin at SFA. We spent a lot of time together while she was there and I've tried to look her up several times since. I was never able to locate her until today. I was heartbroken to learn about her passing. Please accept my condolences and know that she will be missed. I only wish I had had a chance to reconnect with her again prior to now. I'll keep you all in my prayers. She was a wonderful wonderful person, and I am blessed to have had time with her and made the memories that we did.*
