“ To all of Gary's family,  
We were Gary's neighbor, David, Robby and Laura. He was always there for us. Watching our dogs while we went out of town, and never said no. We used to take him to the video arcade and he loved playing the machines all day. He would come home with stacks of Walmart cards. He loved his wife Karen, daughter Kathy and his little dog sugar kisses. We will miss seeing him, and having him in our lives. See you in heaven our friend.

Love

“ *This candle will never burn out just like the ones burning in our hearts. We will miss his calls while practicing on his Smartphone and then the talks as he got used to it. He was a real Trooper...hung in there longer than we thought he would. GOD had other plans. We Love and Miss him too Kathy, Oscar, and Oscar Jr. Prayers are with you.*

“ Gary was my soft-spoken, fun-loving nephew. I always enjoyed my visits with him when Dan and I were in Florida and last saw him when he was in the hospital there.

*As a small child he stayed with our family while his mother worked in a defense plant during WW II and his father served in the military.*

*As young adults we lived apart but were able to keep in touch.*

*We will miss him.*
