“ *i am deeply sorry for the loss of George Johnson. My condolences go to everyone who knew and loved him. I first met George when he was still living in Terrell. He was the "unofficial greeter and executive secretary" to Sarah, the manager of the Family Dollar on Moore Street. He was always kind to me and a interesting person to share thoughts with. I knew immediately his word was true and his beliefs were strong. I don't believe George would ever agree to disagree. I'm glad to have known George. I have no complaints. Thank you George for being who you are.*
