“ My husband Jarrod is Helen’s great grandson. Us & our 2 son’s, Ryder & Weston, absolutely adored her. The absolute sweetest lady on earth. So loving & kind. I could go on & on about the type of amazing person she was. I was so blessed to be able to have her as a bonus great grandma. I will miss her “hi honey” every time I’d walk through the door to visit, & her baby taking with my babies. It would just melt your heart. We love & miss her tremendously! ❤️

“ Spent many relaxing hours playing canasta with aunt Helen, aunt Kitty, aunt Bernice, Debbie, and Dolly. Her sharp mind and card abilities were always top-notch. Such a beautiful special lady. On her 99 birthday, I gave her a big smack on the cheek and said I've always wanted to kiss a 99-year-old lady. We always had a great time. You will be missed.

“ I loved Helen...we struck up a great relationship over genealogy. I wanted to research the David family and she was always willing to share her knowledge. I was going to spend the day with her on the 4th of October and she had the stroke on the 3rd. If I didn't call as often as she thought I should she would call me and say "when are you coming to see me?" I'm going to miss those phone calls and I will miss her forever.
