“ *To the family we are so so sorry for your loss. We had no idea. We have fond memories when our children were younger and Hubert coached the Sweethearts. He had a big heart and loved them as his own. Once he, Janie and Danielle are over to our house for dinner. He carried peppers 🌶️ in his pocket to eat with his meal. Our son was like I like hot too. Well before we knew it he put that pepper in his mouth and was panting afterwards because his mouth was on FIRE!!! Hubert was laughing. He will always be remembered Janie and family.*

“ I worked with Hubert the past 2 years at the Airport and everyone out there will miss him dearly. Hubert and I were just discussing the end of my daughters BB playoff run and I told him how bummed I was the season was over. He told me about how sad he was when he realized soccer was over for his daughter because she went to college. He really enjoyed being a soccer dad, a wrestling Grampa, and he talked about his family fondly all the time.

“ I haven't known Hubert for many years but, we've spent some great times on the weekends we shared at the hunting lease in Galloway, Tx. I'm not going to lie, my initial thoughts of him were that this guy was a hard a**. I first labeled him as "camp cop". I believe he was rough on me at first to try to find out just who I was as a person. He respected nature and the outdoors so much that he wanted us to respect it the same. My youngest son Ian was always with me out there and he immediately grew to love him like one of his own kids or grandkids. Ian loves baseball and with Hubert's many years of helping with soccer we all struck common ground. He always brought sweets and tamales from his mother for Ian as a snack. Many times Hubert would help us with anything from putting us in a "hot" spot go hunt or helping with cleaning an animal. He was very giving if his time and friendship. It didn't take long before I felt he and I had such a kinship out if all our members that I felt we were the best of friends. I'm so thankful for the great memories he gave my son and myself that I won't ever forget them. He was also the first to lend help with our Combat Veterans that we'd host on our annual trips. He always had the most giving heart to our Vets. Hubert will always have a great place in our hearts. I feel very honored to have known him and spent many great weekends together. I wish we had more but, I'll cherish the ones we had. Love you Hubert.
