“ *Jack and Rochelle are two of the most truly wonderful honest people God ever put on this earth. He had such wonderful parents. He was truly a good friend to us both. We have missed him over the years. May God always bless you Rochelle. Love you. Paul & Pam Lowder*

“ *Brother Jack was one of the three men I ask questions for advise. Many times he would give me answers or ask questions about my question before I ever brought em up (if you know what I mean). To me he was a very loving and wise man.He loved the Lord. He and Sister Rochel were very, very, very good friends to our parents Verl & Pat Toole.
As kids we had a small farm, All the city kids from Urban Park Assembly would come to our place sometimes on Sunday after service or during the week. Could tell you kiddoes some stories about those times. We were all just one big happy family. One day we will all be Home together again. Never to depart. Thank You Jesus*
