

## Jack Don Proctor Jr.

March 27, 1974 - November 20, 2018

Jack Don Proctor, Jr. of Terrell, passed away November 20, 2018. Jack was born March 27, 1974 in Rockwall, TX to Jack Proctor, Sr. and Florence (Sissy) Anderson. Jack was met in Heaven by his nephew, Coby Bostick, and his grandparents: Joyce and George Proctor, Albert Anderson, Yvonne Penn and Rufus and Katherine Nalls.

“Bubba” never met a stranger and his outgoing personality made him an instant friend to all who met him. He loved to learn about people and their life stories and Bubba would talk to anyone. He was always the first willing to help and his generosity was very well known. He was compassionate and his heart was as big as the homeplace ranch that he loved working on. His smile made everyone feel instantly comfortable and his positive outlook helped raise others’ spirits. He truly loved to be outdoors and he would often be found fishing, hunting and enjoying time outside with family and friends.

Jack is survived by his wife, Amy Proctor of Kaufman; step-children: Chris Tidmore, Cody Vasquez, Casey Vasquez; Parents, Sissy and Fred Nalls, of Terrell; Jack Proctor, Sr. of Terrell; brother, Mark Nalls of Terrell; sisters: Donna Tomerlin and Marc, Marcia Bostick, Stacie Nalls and Sanjar and Angela McKinney; special aunt, Pam Porter of Carrollton as well as numerous nieces, nephews and a host of family and friends including special friends Wendell Melton and Kristi Lile.

“ *U were my soulmate. I miss you so so much. Sometimes I wish we hadn't done the right thing. And just ran forever. I am heartbroken. I love u and miss you so much. We had an instant connection. You are the only one who ever loved me for me. And I was the only one who loved u for u and those tattoos wrapped around me made feel so safe. We were angels together in a world so cold. I pray every night that I could wake up in heavenñ with u.. I love u. Love baby girl*

“ Amy. My heart breaks for you that you must go thru this, especially at the holidays. Cherish the beautiful memories, forgive for the ones that bring sadness and pain. From experience I WILL NOT tell you it gets easier...it doesn't it just becomes more tolerable to live with that place in your soul that at this moment is filled with utter sadness, pain, and those cruel coulda, woulda, shoulda thoughts. Being the wife you may become the target of other people's ugliness, blame, accusations, and their lack of couth at a time like this. I did. Chalk it up to grief and the fact those people need someone to blame, other than themselves. Put on your thick skin, and know that NO amount of love can ever save us from ourselves. Only WE can do that. I love you and your peace and comfort are at the top of my prayers. I'll see you tomorrow.
