Officer Jacob Andrew Candanoza, Terrell Police Department Patrol Officer, passed away tragically on December 8, 2024, as a result of injuries sustained in the line of duty. His family takes great comfort in the realization that Officer Candanoza was doing what he was most passionate about: protecting and serving.

Jacob was born on Dec. 14, 1995, in Dallas, TX, to Jennifer Valencia and David Candanoza. After graduating high school, Jacob answered the call to serve his country and immediately enlisted in the U.S. Marine Corps. After 5 years of exemplary conduct and recognition with USMC, he was honorably discharged on June 22, 2019, having achieved the rank of Sergeant. Jacob then continued his education through Dallas College-Cedar Valley Campus, earning his Associate of Arts in Liberal Arts in May, 2023.

Jacob met his beloved wife, Devon, in 2016 and were married on May 23, 2018. In 2019, he and Devon were blessed with the arrival of their beautiful

daughter, Amethyst, which made Jacob the happiest man in the world. He loved both of his girls without abandon and his devotion as a husband and father was a hallmark of his personality. His love of his family combined with his smile, his generosity and his ever present willingness to help others made every connection with Jacob a blessing. Along with being a beloved husband and father, Jacob was also a cherished son, brother, and grandson. His friendships had a firm foundation in service and respect for others and, over the years and with different agencies, Jacob made countless friends during his military service and law enforcement career.

His unwavering dedication to all things military and law enforcement enabled Jacob to take on the responsibilities as a USMC Sergeant and a Police Officer with honor and dignity throughout his career. His self-discipline was evident to all when he would exhibit the highest professionalism and experience as he put in the work before, during and after each shift knowing that he did all that he could for each call he worked first with Dallas County Sheriff's Office and then with TPD. Officer Candanoza demonstrated all the facets of a born police officer both on, and off shift, with his courage, integrity, compassion and commitment to serve and he will be greatly missed and never forgotten.

Jacob is survived by his wife, Devon Candanoza; daughter, Amethyst Candanoza; mother, Jennifer Valencia; father, David Candanoza; siblings: Hawk Candanoza, Holly Richards, Lucas Valencia, William Valencia, Graeson Candanoza and Hunter Candanoza; grandparents: Kim and Phillip Stewart and

Sylvia and Robert Montalvo as well as other extended family members, many friends, and his brothers and sisters of Dallas County SO and Terrell PD.

“ Even though I didn't get the pleasure of meeting Jacob I am truly heartbroken. My fiancé had the pleasure of meeting him and talking to him one night while my fiancé was racing one of his adult toy racing cars on the side of the road by the soccer field which he does a lot. Jacob and another officer had been watching and he was saying how fast does that thing go because it goes at least fifty because I have been watching it and it's really cool. My fiancé told him fifty five miles per hour and Jacob was asking questions about the car and where he got it from and around how much do they cost. My fiancé told him and asked Jacob if he wanted to check it out and so Jacob held it and said it was really cool and he was thinking about getting one. Jacob handed it back and said he had to go because he just got a call and he said thank you and I will catch you later. This was the end of October when Jacob was still doing his ride a longs to complete his training. Jacob was friendly and happy. You know how you kind people and some that aren't so nice and you have some officers that aren't so friendly and some that are? Well, Jacob was one of the good ones that was friendly, would take the time to get to know people, have conversations and was enjoyable to talk to. I just want his loved ones and our community to know that Jacob was one of the good ones. He never had a attitude or thought he was better than anyone else just because he was a officer. He was one of us. Just a normal friendly guy. To the parents who raised him,, I just wanted you to know that you raised an incredible young man. To his wife, he loved you and cherished you more than you know. To his sweet little girl, your daddy loved you so deeply and cherished every moment you shared together and you are daddy's little baby girl and always will be. My heart goes out to his family and friends as well as the Terrell Police Department and the Dallas Police Department. Fly high Jacob. You will always be loved and never forgotten.

“ My dad was the Terrell Chief of Police when Patrol Officer William Robert Stout, Jr. was shot and killed in the line of duty on his End of Watch Thursday, June 5, 1980. Officer Stout had served with the Terrell Police Department for 11 months and previously served with the Dallas County Sheriff's Office, University Park Police Department, and Farmer's Branch Police Department. He was survived by his wife and two children. He was 28 years old at the time of his death. The loss of those who serve and protect are never forgotten. The loss of Patrol Officer Stout and his family has never left the grieving of our family because he and we are bonded in common service and sacrifice through the thin blue line. The loss of Officer Jacob Candanoza will also be forever remembered by the current police community and one day, decades past, the relative of those long past will carry on the memories of the tragedy and hope for a better future. Peace and comfort to Officer Jacob Candanoza. The Patton family.
