

## Jeffrey Scott Burson

December 1, 1959 - July 19, 2024

Jeffrey Scott Burson, of Rowlett, passed peacefully with family by his side on July 19, 2024. Scott was born to J.D. Burson III and Frances Bolton on December 1, 1959, in Raymondville, Texas. He is preceded in death, and was reunited with his father, J.D. Burson III.

Scott was known to be a simple man, his riches in life being the moments spent with his family who he loved dearly. He enjoyed taking his family on trips and spending quality time together skiing, camping, whatever the adventure was that time around! Scott had a love for all things outdoors, and especially enjoyed hunting, fishing, boating, and riding motorcycles. When not soaking in the beauty of nature, you could find Scott creating something unique with his hands; woodworking projects were his favorite. Scott created many pieces that his family will cherish for a lifetime, including his most recent project, a backyard pergola for his wife and family to enjoy. Not only was Scott gifted with creativity as a woodworker, but he was also a very talented lead virtual designer for the Electrical Division of Brandt Companies as his profession with an undeniably strong work ethic. Above all, and to be remembered, Scott was a good man with a heart to match, a family man, an honest man. His family was his utmost priority and he strived to give them everything he did not have himself growing up. He is a beloved husband, father, grandfather, son, and brother, and will be missed by all who had the chance to know and love him.

Left to cherish Scott's love and memory are his wife, Ray Burson; son, Jeffrey Burson Jr. and wife Andrea; daughter, Jessica Graves and husband Justin; daughter, Kristi Burson and significant other, Collin; bonus children, Amanda Tompkins and Beau Ivey; mother, Frances Burns; brother, Robert Burson and wife Julie; sister, Janeene Jennings and husband Darryl; 10 grandchildren; many nieces, nephews, and extended family; along with an outpouring of friends.

A Celebration of life is scheduled for Sunday, July 28. 2024 at Max Slayton Funeral Chapel starting at 2:00 pm. The family will continue to receive guest and friends following the service from 2:30 - 4:00 pm.

“ Ray,  
Hearing the news of Scott's passing surprised me and obviously saddened me.  
We all have lost a good man.  
I met Scott many years ago when we both worked for WB Moore at the GTE project, I got to know him during that time and always was impressed by his skills and knowledge, which is why when we started Masters he was one of the first people we pursued and hired. I will be forever grateful that he agreed to join us, He brought a new company his skill, knowledge, experience and most importantly credibility that we needed to succeed.  
I believe that anybody who was with Masters will agree with me when I say that Scott was a big part of that companies sucess.  
I will always treasure my time with Scott be it on motorcyle trips, sking or working side by side building a company. Is calm demeanor and wonderful sense of humor always present under any circumstance.  
Scotts passing creates a hole in your family and this industry that cannot be fille.  
Elise and I extend our most sincere condolences to you and your family and if there is anything we can do to help please contact me.

“ *Sweet Ray and Family...I am just still so saddened by the loss of Scott. What an incredible man. Hard to believe he is gone from this world, but knowing he is at peace and we'll meet again is such a comfort. I'm sad I won't be able to make the funeral, but I sent you a gift you should receive next Friday. I have so many wonderful memories of Scott from our 15 years of working together in the electrical field. He always made me laugh, and we always had fun, and he was always such a hard worker. He taught me so much. I love that you and I formed a friendship over those years as well. You guys are truly special people and I will miss Scott and will cherish all those memories I have. I love you precious Ray and your beautiful family. God bless and keep you safe.*
