“ Jerry Wayne was my Uncle. He was the best Uncle and man that I have ever met. He always had great stories from his time in the Army. He loved his family with all he had. There will be a hole in my life without him.

“ *Jerry Yates was a very close friend in college. He and Vivian lived a couple of doors down in Married housing. Precious friends. Jerry was more than a friend. He was more like a brother, and although we lost contact with ea. other after school, and he re-joined the military, I have kept up with him in correspondence. He was a man to be respected and admired. One does not attain the kind of standing and rank in the military that Jerry commanded, unless he be a very special person. And Jerry was a very special person to me, and I respected him and admired him, and loved him. I will cherish my memories of our road of friendship together. RIP my brother*

“ Jerry was easy to talk to & we've enjoyed many conversations through the years over meals or just visiting. Jerry was a very informed man with a lot of knowledge, and always ready to explore the various sides of issues. We will miss him, along with lots of other folks. We pray comfort & peace for sweet Vivian that he loved with all his heart.

“ It will be so sad to be in our backyard and not share a wave, a smile, laughter or stop to listen to a story he liked to share. We will miss you Jerry.
