“ *Jimmie and I went to school together. We graduated in 1949 with 16 of us. We had ten boys and six girls in our class. We used to spend the night with each other. I lived in town, so I enjoyed riding the bus home with her. We always got along good. We kept in touch throughout the years. I live in Wylie and when I would go visit my sister Hazel Daniel in Terrell, we would see each other at Braums or Brookshire's. I think Jimmie and I were the last of our school group. I am 90 now and don't get out much. Much love to all of her family. She was an awesome lady. Joyce Miller Rogers.*
