“ *I can still see those boys from their school years coming in for haircuts. So glad I had the opportunity to see them quiet often & got to know John, Mark & Matthew as well as their mom. Although it was many years ago I can still remember how nice it was learning a few tidbits about their dad, Harvey. I had met most everyone else including Harvey's parents who by the way were always proud to talk about all their grandkids.*

I had no idea of John's passing until the '85 class president posted on F B along with a link to this page.

Sending sympathy & prayers your way.

“ *My sympathies and thoughts go out to John's family. John was one of the first friends I made at TJC. John's outgoing personality just made it easy. No matter where we were you can bet there would be laughter and sometimes shenanigans if John was around. I remember a trip to College Station, just to see what Aggie Bonfire was all about, listening to the Stand By Me soundtrack all the way there and all the way back (those songs are permanently etched in my mind). The many trips we made to Dallas, Shreveport and running around Tyler in John's big ol' Ford LTD. Good times, good memories all with good friends. Rest peacefully John. You will be missed but not forgotten.*

John added such joy to my life. To know John was to love him. He had such a sweet soul.

*It was an ongoing joke between us... I still would not peel his boiled shrimp!
I will always think of him with fond memories.*
