During this time while he was away, his parents purchased a farm in Kaufman County just outside of Forney where he returned after his days of service. He married the love of his life, Carlynn Loftin in 1950 and remained in Forney for

the next 47 years where he raised his daughters, living a life so richly blessed by God.

He provided for his family working in the construction industry for 42 years in addition to the farming and cows and calves he raised. He taught Sunday School and served in many different capacities at First Baptist Church in Forney over the years.

He moved to Wimberley in 1997 and was able to share and enjoy in the lives of his children and grandchildren. While serving at First Baptist in Wimberley, he, along with several others started the Carpenters Helpers group which has grown into a ministry reaching far and wide for God's glory.

Ed will always be remembered for his stories and wit, hard work, patriotism for his beloved country and a genuine love for others.
