“ *Dear Ann, We are all so sorry for your loss. The news of John's death felt sudden, even though we knew he was losing ground in his struggle to fight cancer. We hope that you'll take comfort knowing that we are all thinking about you and your family. Ann, everyone admires you for your tireless energy, dedication and caring nature. May you find comfort knowing that John's suffering is over and that you committed yourself body and soul to his care and well-being.
Love, Lauren*
