“ Johnny is loved by so many people, including me. My sister Jan Mott and I know Johnny from The Crossing Baptist days in Mesquite. Johnny was always asking me to sing with him, prepared or not!!! He was a mentor, an example of Christianity alive in a daily life, he treated everyone with love and respect. I will miss him very much. Sending love and condolences to Tricia, Lucy, Melissa and Amanda from Marion Shanks and Jan Mott.

“ It is a blessing to have known Johnny. He was such a kind hearted soul. He could talk to anyone and when he did the other person felt at ease. I believe it had to do with his belief and faith Jesus Christ. Johnny, you will be missed.

“ *Johnny was a kind, Christian man with a warm smile. I had the pleasure and privilege of singing with him in the White Canyon Band. Johnny was a great singer and he was passionate about real estate, even offering to help me or my children if we ever wanted to go into the business. When his wife would walk into the room, his eyes would light up. You could see the love he had for her, his daughters, family, and friends. So many people in my circle of friends know him and all have only wonderful words to say about him. That's a true testimony to his character and the way he treated people. Prayers for his family and multitude of friends during this difficult time.*
