

Jonathan David Pikett

May 20, 1979 - February 24, 2024

Jonathan David Pikett peacefully went home to be with his Lord in the early hours of Saturday, February 24, 2024, after a 10 month battle with cancer. He was being cared for at Baylor Scott and White Pickens Cancer Hospital in Dallas.

Jonathan was born May 20, 1979, in Longview, Texas to William H. Pikett and Sandra S. Pikett, both currently of Waco, Texas. Jonathan is survived by his wife Angela R. Pikett and seven precious children. He is also survived by his father, William Pikett, mother, Sandra Pikett, sister, Melissa Woodruff and many aunts, uncles, cousins, nieces and nephews. Jonathan was preceded in death by a brother, William “Billy” Pikett.

Jonathan graduated as the salutatorian of Parkview Christian Academy and also was a first team all-state athlete. He then went on and graduated from Pensacola Christian College in 2002 with a degree in engineering. Jonathan met Angela in college, and they married on May 31, 2003, last year celebrating 20 years.

Jonathan started his engineering career with Nucor Steel Corp in Terrell, Texas where his brother William “Billy” Pikett also worked. Then he moved to Georgia to work for American Buildings Corp, a division of Nucor, as a salesman and manager. In 2014, Jonathan and his family moved back to Terrell to work at the Nucor plant where he started in 2002 and continued as a vital part of the Nucor family as sales service manager.

Jonathan was well loved and highly respected by his family, his church family,

his work family and his community as a leader. He will be sorely missed. Funeral services are scheduled for Monday, March, 4, 2024, starting at 1 p.m. at C Life Church in Forney. A visitation is scheduled for Sunday, March 3, 2024, at Max Slayton Funeral Chapel in Terrell, from 2 – 4 p.m.

“ Our thoughts and prayers are with Angela, the children, and the entire Pikett and Chetta families. I taught Jonathan in our engineering program and knew Angela as one of our top students in our biology program and an accomplished musician. I still have Jonathan's design drawings from our capstone design course. He and Daniel worked on the foundation design, and both went on to become structural engineers. Jonathan and Angela kept in contact with us over the years after their graduation and it was a joy to hear about their accomplishments and the Lord's blessings on their family (III John 4). Jonathan's photograph has captured his smile that I will always remember. May our Lord Jesus Christ comfort your hearts with cherished memories of sweet times that you all had with Jonathan. May our Lord comfort you with His peace and the assurance of I Thes. 4:14, "For if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring with Him."

In Christ our Savior, Joel (and Barbara) Porcher (Pensacola, FL)
