

Joshua Moreland

November 30, 1979 - April 2, 2025

Joshua Elisha Jeremiah Moreland passed away peacefully at his home in Terrell, Texas on April 2, 2025. Joshua was born in Elgin, Illinois to Clarence and Carla Moreland on November 30, 1979 and was raised in a Christian home and military family in which he, his brothers and father proudly served. Joshua is preceded in death by his grandparents, Johnnie and Emma Morrison and Clarence and Madelynn Moreland. He is also preceded in death by uncles Robert Louis Moreland, Donald Vincent Moreland, Aunt Linda Louise Medelberg, and 1st cousins Billy Medelberg, Alyssa Lutz and Nick Stephenson.

Joshua was a devoted follower of Jesus Christ, proud father, defender of his country and an avid outdoorsman and advocate for disabled veterans. Following in his father's footsteps, Joshua entered the Navy and served his country with pride and honor. Along his life's journey, Joshua became the proud father of two amazing children and that became the top priority in his life. He would love to take his children, nieces and nephews into the wild outdoors and invest in them while teaching them about the beauty of nature and the simplicity of catching a fish or starting a fire. Joshua always enjoyed being outdoors, either fishing, camping, hunting, or even just general exercise. Other favorite hobbies Joshua enjoyed were gardening, wood carving, arts, crafts or anything he could make with his hands. Joshua lived up to his namesake and proclaimed for all to know the meaning of his name: "God is

Salvation"!

Left to carry on Joshua's memories are his children Eliana Moreland and Caleb Moreland, his parents, Clarence and Carla Moreland, the mother of his children, Laci Moreland along with siblings: Benjamin and wife Beth Moreland, Gabriel and wife Brianne Moreland, Robert and wife Raquel Moreland. Also left to carry on Joshua's legacy are his beloved nieces and nephews: Violet, Naomi, Jaelynn, Elijah, Brayden, Sheldon, Evan and wife Emerson, Mason, Brooklynn, Ella, Halen and Christiana along with numerous extended family and a host of friends.

“ Joshua and I became family through marriage, a bond that remained strong even after our circumstances changed. We've always maintained a close relationship, staying connected through social media, messaging, and texting, and video calls. Joshua was a kind, loving, and patient man of faith, qualities evident in our many conversations. He will be deeply missed. His comforting words always brought solace during difficult times. Joshua, you were loved beyond measure. He one day told me I'll always be his family, and he kept his word, Joshua, I love you always.

“ Dear Joshua~

It is impossible to put into words the love I will always have for you. The memories I have of our time together will forever be etched into my heart for you have imprinted on my soul.

We are broken-hearted and grieving by your absence and I know with time, we will all begin to heal. We take comfort knowing you will always be with us, as we will have constant reminders of you; fishing, camping, birds singing, the beautiful outdoors, the sun shining, the moon rising, the trees, the smell of campfires and burning leaves, are only a few places I know where we will feel your essence.

Thank you for accepting and loving my children from the first time you met each one of them and the countless memories they have with you. They always felt your love and acceptance. Thank you for the unconditional love you always gave me and the big brother advice and words of encouragement you always had for Rob. You were always his most enthusiastic supporter and devoted advocate, as you were always there to encourage him. Your influence on our family has been profound!

We love you, Uncle Gosh” and miss you more than you could ever begin to imagine but we anticipate and rejoice for the day we will all be reunited in eternity.

Your sister~

“ *Gone Fishin’*
by Delmar Pepper

*I’ve finished life’s chores assigned to me,
So put me on a boat headed out to sea.
Please send along my fishing pole
For I’ve been invited to the fishin’ hole.*

*Where every day is a day to fish,
To fill your heart with every wish.
Don’t worry, or feel sad for me,
I’m fishin’ with the Master of the sea.*

*We will miss each other for awhile,
But you will come and bring your smile.
That won’t be long you will see,
Till we’re together you and me.*

*To all of those that think of me,
Be happy as I go out to sea.
If others wonder why I’m missin’
Just tell ‘em I’ve gone fishin’.*

“ R.I.P Josh Moe.

It took an EPIC hiking trip to the Yellowstone back country a few years ago for me to truly connect with my younger cousin. It's crazy... I knew him his entire life but never truly knew him until that great adventure. Intelligent, Deep thinking, Philosophical and God fearing are some of his naturally strong traits that anyone can recognize having a short conversation with him....but the hardship of the Yellowstone wilderness allowed me to connect to him on a softer side where his Love, raw emotion and honesty revealed a person I never knew. I was gifted with a deeper connection to him and for that, I'll forever be grateful and you'll never be forgotten. Love you Cuz.....

“ Josh was the most amazing brother-in-law I could have asked for. He was a kind and caring person who made it a point to stay connected with his family and friends, no matter where they lived. When I was dealing with health issues and surgeries, Josh was always there to lend a helping hand to me and my family. He went with me to doctor's appointments, made me laugh when I needed it, and prayed with me when I was feeling anxious, which helped me get through some tough times. After my brother passed away, Josh took on a big brother role and filled the void in my life. I will always treasure the memories we made together. He will be deeply missed. Now that he is no longer in pain, may Josh rest in peace.

“ My first memory of Josh was visiting Carla & Moe's home in TX with Keith. I was able to meet Grandpa Johnny and spend time getting to know the Moreland family. A lot of laughs and love was shared. Josh and I had a wonderful conversation about all types of topics. He was such a great conversationalist and you could easily sit around and talk with him for hours. He had a loving spirit, his smile and laugh was contagious. He is going to be missed greatly. My heart and prayers are with all the Moreland family and friends during this difficult time. I pray God gives unmeasurable peace, love, and comfort to all who are mourning over Josh at this time.
